

CHAIRS

Malmo / Milano / Madrid

MILANO Simple. Stackable. Slim. Minimalist stack chair streamlining a spine friendly, comfortable seat. The single piece sculpted shell is simplistic in design flowing from top to bottom.

MALMO Smart, flexible, and collaborative. Cool design offering a 360° configuration in a 4-position seating solution. The tapered shape goes with the flow allowing the freedom to sit sideways or backwards, naturally and effortlessly.

MADRID Hang your bag and stay awhile. Seamless design offering a more comfortable seat and custom notch to hold personal items such as backpacks, purses, and totes. Subtly sophisticated yet classic.

TRANSFORM YOUR SPACE WITH DISTINCTION.

Modern, yet simple. The Milano, Malmo, and Madrid Chair is sturdy and stackable, refined and sophisticated. Designed to be smart, fun, and flexible, these multipurpose chairs configure easily providing a desired comfort in today's classroom or training room

Update the look and feel of your counter, or bar height seating area with the Madrid Café chairs. These café' style chairs have an attractive, modern look which is sure to captivate.
