

GOGY chair

Our Gogy chair and stool line is designed with comfort and functionality being the highest priorities. The flexible, durable poly shell allows for enough movement to help foster better attentiveness in the classroom.

THE STANDARD FRAME:

The smooth, contemporary curves gives an increased level of comfort over your average poly shell chair. Stack up to 8 high for easy storage.

THE CAFE STOOL:

Excellent for use in labs, classrooms, and cafeterias shell chair. Stack up to 8 high for easy storage.

THE CANTILEVER DESIGN:

The Gogy chair pairs well with our Spartan desk.
